A Welcome & Safety Message from the Lifeguards

The Lifeguards would like to extend a warm welcome to all visitors at the Lake.

We would like to ensure Spectators & Participants have a great time as well as a safe time and would ask that they observe simple safety rules whilst being at the Raft Race.

- Never let children play on their own with inflatables, this can bring about tragic consequences.*
- Keep an eye on children at all times. They can wander off quickly and the water holds a real fascination for them.*
- Do not mix the water and alcohol. This is when accidents can happen.*
- If you are going out on the Lake, make sure someone knows where you are going and what time you intend to be back.*
 - ALWAYS wear a lifejacket, when instructed to.*

But, above all, have a good time and, if in doubt about safety issues, ask at the Lifeguard Station.
